ARREST MADE IN BEVERLY FARMS EATERY BREAK-IN.

June 27, 2023: On Monday evening, Beverly detectives arrested Kendrick Leon, 31 of 10 Juniper Street, Beverly. Leon is charged with malicious destruction of property, breaking and entering in the daytime for a felony, and larceny from a building. The charges stem from a June 12th call in which Officers responded to The Bagel Dudes eatery located at 3 Oak Street in the Beverly Farms section of the city for a report of suspicious activity. At approximately 5:30am a Good Samaritan contacted the police to report seeing a window pushed open on the side of the business. It was during the officer's initial investigation, upon speaking with the store manager, and a review of security camera footage that it was determined a forced breaking and entering into the business occurred and money had been stolen. A follow up investigation by Detective Sergeant Edward Hathon, Detective Thomas Nolan, and Detective Shawn Desmond led them to Kendrick Leon, and a subsequent search warrant and arrest warrant were obtained. Detectives with assistance from Officer Chris Ganey were able to apprehend Leon. Leon is expected to be arraigned in Salem District Court.
